SERIES OVERVIEW

OSIYO, VOICES OF THE CHEROKEE PEOPLE

“Osियो, Voices of the Cherokee People” is a groundbreaking series inviting you to discover the rich tradition and compelling modern stories of the Cherokee people told through a documentary lens. The docuseries show features the culture, history and language of the Cherokee Nation, the largest federally recognized tribe in the U.S. with more than 460,000 citizens. Cherokee history and culture come alive in our half-hour episodes featuring stories about athletes, musicians, water protectors and more. Come along for adventures that feature the exciting lives of Cherokee people today. Fly with a U.S. Coast Guard helicopter pilot, go scuba diving with wounded warriors and search for Bigfoot in the foothills of the Cherokee Nation. These are the voices of the Cherokee people.
